

Mini Mantas Swim Program

Mini Mantas are swimmers age 4-7 who are excited about joining the swim team, but who aren't yet able to complete a lap on their own in the Main Pool. They learn in the Teaching Pool in a group setting and the instructors teach from in the water. Mini Mantas will learn the basics of the four competitive strokes.

As a way of welcoming them into the larger Summer Swim Team (Mantarays) the Mini Mantas will receive a team swim cap, team shirt, appear in the team photo, join the team for the Ice Cream Social and swim in one of the home meets!
